

Research Scavenger Hunt

This scavenger hunt is going to ask you to use all your research skills to answer questions. Remember to cite your sources as you go and find a second source to back up each answer!

- Where is the closest place to you that you'd be able to see the Perseid Meteor Shower?

- How was the Perseid Meteor Shower named?

- What is the Native American tribal nation that lived or currently lives in your area?

- Find four interesting facts about that Tribal Nation, at least one of which relates to contemporary native culture:

- What is the latitude and longitude of your nearest natural body of water?

- What historical figure do you think made the biggest impact on your city, county, or town? Why?
